Notice

National Service Scheme (NSS) is a significant platform for providing the student community a realistic overview of issues and problems confronting the broader society. It aims at creating a meaningful link between the academic institutions and the society by exposing the students to public issues with the motive of inculcating in them a sense of community and social service.

NSS, University of Kashmir has established 04 Units of 100 student volunteers each for undertaking the community work of variegated nature. Each year 400 new student volunteers are enrolled in the NSS cadres to participate in its activities.

Registration of fresh volunteers for the session 2020-21 has been opened and students interested in voluntary social service activities may visit the office of the program coordinator at Naseem Bagh campus to get the enrollment form, also available at <http://nss.uok.edu.in/Main/Default.aspx>.

Heads/ Coordinators of the teaching departments are requested to circulate the notice amongst the students/display it on the notice board.

Dr. Musavir Ahmed,
Program Coordinator
