

## **MINUTES OF THE BOARD OF PG. STUDIES IN CHEMISTRY**

In order to revise /update the existing syllabi for various courses at Post Graduate Level in Chemistry, three meetings were held during 2012 & 2013. In the 1<sup>st</sup> meeting held on 19<sup>th</sup> March, 2012, the syllabi pertaining to 1<sup>st</sup> & 2<sup>nd</sup> semesters have been revised/ updated. The second meeting was held on 10<sup>th</sup> of December, 2012 in which the syllabi for 3<sup>rd</sup> semester have been revised. The revised set of 1<sup>st</sup>, 2<sup>nd</sup> & 3<sup>rd</sup> semesters alongwith minutes have already been send to the Academic Section & the revised courses for these semesters have been implemented for the 2012 batch.

The recent meeting of Board of Post Graduate was held under the chairmanship of the undersigned on 8<sup>th</sup> of July, 2013 for the revision/updating of the 4<sup>th</sup> semester syllabi which will be implemented now in the ensuing session i.e; September – 2013 for the same batch i.e; those who have been admitted in the department in March – 2012 (2012 batch).

The list of the members participated in the meeting is enclosed herewith as a separate sheet.

Now at 4<sup>th</sup> semester level in the subject , the department will offer two types of courses for the students viz specialized courses in each branch & elective courses , one from each specialization/ branch.

As such, the students have to opt for one specialization viz Inorganic , Organic or Physical. In a particular branch there are 03 specialized courses of 100 marks each (4-credit). Besides, out of the 03 elective courses of 50 marks each (2-credit), the student has to elect any 02 courses irrespective of the specialization opted. There is one Seminar course of 50marks (2 -credit) & one Lab. course of 150 marks (6-credit) in each branch.

The course No.'s, Titles and the Break-up of marks are enclosed herewith as Annexure-I.

The students after completing course work & Lab. at 4<sup>th</sup> semester level will have to go for an academic tour for having academic interaction and knowhow of the most sophisticated instruments at national /CSIR Labs. within and outside the state. The students will be split into 03 effective groups escorted by faculty to the host institution.
